Disclosure and Communication Policy

1 Background

The GARDA Capital Group operates as an integrated real estate and funds management business. The Company is the ultimate holding company of the GARDA Capital Group.

The Company, and other members of the GARDA Capital Group may, from time to time, act as the responsible entity of one or more Funds.

Unless the context requires otherwise, this Policy applies to the Company and each member of GARDA Capital Group, both in their personal capacity and (if applicable) in their capacity as responsible entity of a Fund. For the avoidance of doubt:

- a. any reference to 'GARDA Capital Group' will include a reference to a Fund, if the case requires;
- b. any reference to 'Securities' means the securities of any member of the GARDA Capital Group or of a Fund; and
- c. this Policy shall cease to apply to a particular Fund if the GARDA Capital Group ceases to be the manager or operator of that Fund.

2 Introduction

2.1 Commitment to disclosure and communication

The GARDA Capital Group is committed to the objective of promoting investor confidence and the rights of investors by:

- (a) complying with the continuous disclosure obligations imposed by law;
- (b) ensuring that market announcements are presented in a factual, clear and balanced way;
- (c) ensuring that investors have equal and timely access to material information concerning the GARDA Capital Group; and
- (d) communicating effectively with investors and making it easy for them to participate in general meetings.

2.2 Purpose of this Policy

This Policy outlines corporate governance measures adopted by the GARDA Capital Group to further its commitments. It seeks to incorporate:

- Principle 5 (Make timely and balanced disclosure) and Principle 6 (Respect the rights of Security holders) of the ASX Corporate Governance Council's: Corporate Governance Principles and Recommendations;
- the principles in ASX's Guidance Note 8 Continuous Disclosure: Listing Rules 3.1- 3.1B ("**Guidance Note 8**") and to the 10 principles set out in ASIC's Regulatory Guide 62: Better disclosure for investors; and
- disclosure obligations in the ASX Listing Rules ("**Listing Rules**").

2.3 Application of this Policy

This Policy applies to all directors on the Board, as well as officers, employees and consultants of the GARDA Capital Group.

Disclosure and materiality guidelines for officers and employees are available to assist officers and employees to understand their obligations under this Policy.

3 Continuous disclosure obligations

3.1 Disclosure obligations

The Company and GCT are listed on ASX and must comply with the continuous disclosure obligations in the Listing Rules. A Fund may also be listed on ASX, in which case the Fund must also comply with the continuous disclosure obligations in the Listing Rules.

These obligations have the force of law under the *Corporations Act 2001* (Cth) ("**Corporations Act**").

When applying this Policy, GARDA Capital Group will aim to identify and manage disclosure obligations in respect of each member of the GARDA Capital Group and each Fund individually and as a whole.

3.2 Immediate notification of information which may have a material effect on price or value

Listing Rule 3.1 requires, subject to certain exceptions, to immediately (meaning, "promptly and without delay") disclose to the market any information concerning the GARDA Capital Group that a reasonable person would expect to have a material effect on the price or value of Securities. Disclosure is made by making an announcement to ASX.

This information needs to be disclosed to ASX under ASX Listing Rule 3.1 unless an exception applies at that time.

What is material depends on the GARDA Capital Group's business activities, size and place in the market. A matter may be material even if there is little impact on the GARDA Capital Group's financial position and/or financial prospects. For example, the matter may have a significant impact on the GARDA Capital Group's reputation or perception of the GARDA Capital Group's strategy.

ASX provides examples in **Listing Rule 3.1** and **Guidance Note 8**. Relevantly, the types of information that may need disclosure include:

- (a) a material acquisition or disposal;
- (b) takeovers, mergers, de-mergers, restructures, schemes of arrangement and all other transactions involving a transfer of control or significant change in the nature or scale of the GARDA Capital Group's activities;
- (c) share buybacks and capital reductions concerning Securities;
- (d) equity capital raisings for the GARDA Capital Group;
- (e) market updates, including any earnings guidance for the GARDA Capital Group;
- (f) interim and final results, including media releases, investor presentations and investor reports accompanying the release of interim and final results;

- (g) distributions policy and distributions determinations concerning the GARDA Capital Group;
- (h) any matter in respect of which directors make a recommendation to the GARDA Capital Group's investors;
- (i) the granting or withdrawal of a material licence;
- (j) entry into, variation or termination of a material agreement; and
- (k) any other matter that the Board determines to be a significant matter affecting the GARDA Capital Group.

There are many other types of information that could give rise to a disclosure obligation.

If any material information disclosed to the market becomes incorrect, the GARDA Capital Group must release an announcement correcting or updating the information. Further guidance on materiality is provided in the disclosure and materiality guidelines for officers and employees.

3.3 Exceptions to disclosure of information

Disclosure of price sensitive information is not required while the following paragraphs (a), (b) and (c) are satisfied:

- (a) a reasonable person would not expect the information to be disclosed; and
- (b) the information is confidential and ASX has not formed the view that the information has ceased to be confidential; and
- (c) one or more of the following 5 situations applies:
 - (i) it would be a breach of a law to disclose the information;
 - (ii) the information concerns an incomplete proposal or negotiation;
 - (iii) the information comprises matters of supposition or is insufficiently definite to warrant disclosure;
 - (iv) the information is generated for the internal management purposes of the GARDA Capital Group; or
 - (v) the information is a trade secret.

The GARDA Capital Group must disclose the information to ASX as soon as one of paragraphs (a), (b) or (c) is no longer satisfied.

Guidance Note 8 provides further detail on exceptions to immediate disclosure.

be price sensitive and when to immediately refer any matter or event which may need to be disclosed to the Company Secretary.

The Disclosure Committee will periodically review the disclosure and materiality guidelines and, where considered necessary, organise training for the GARDA Capital Group's officers and relevant employees to:

- (b) raise awareness of the internal processes and controls; and
- (c) promote compliance with this Policy and the guidelines.

Significant amendments made by the Disclosure Committee to this Policy or the disclosure and materiality guidelines will be communicated to officers and relevant employees by the Company Secretary.

5 Disclosure matters generally

5.1 Inform ASX first

The GARDA Capital Group will not release any information publicly that is required to be disclosed through ASX until it has received formal confirmation of its release to the market by ASX, unless otherwise permitted by the Listing Rules.

Information must not be given to the media before it is given to ASX, even on an embargo basis.

5.2 Speculation and rumours

Generally, the GARDA Capital Group will not respond to market speculation or rumours unless a response is required by law or ASX, including for the purposes of section 5.3 of this Policy.

5.3 False market

If ASX considers that there is, or is likely to be, a false market in Securities and asks the GARDA Capital Group to give it information to correct or prevent a false market, the GARDA Capital Group must give ASX the information needed to correct or prevent the false market.

6 Market communication

6.1 Communication of information

The GARDA Capital Group will post on its website relevant announcements made to the market and related information, (which may include slides and presentations used in analyst or media briefings) after they have been given to ASX and following confirmation of release to the market by ASX.

Material price sensitive information will be posted as soon as reasonably practicable after its release to ASX following receipt of confirmation from ASX.

Information may also be provided from time to time to the media on behalf of the GARDA Capital Group but not before disclosure to ASX, even on an embargo basis.

6.2 Analysts and institutional investors

The GARDA Capital Group may conduct briefings for analysts and institutional investors from time to time to discuss matters concerning the GARDA Capital Group. Only the MD and CFO or approved representatives of the GARDA Capital Group are authorised to speak with analysts and institutional investors.

Before each reporting period, the MD and CFO will formulate guidelines for briefings for that period. The GARDA Capital Group's policy at these briefings is that:

- (a) the GARDA Capital Group will not comment on price sensitive issues not already disclosed to the market; and
- (b) any questions raised in relation to price sensitive issues not already disclosed to the market will not be answered or will be taken on notice.

If a question is taken on notice and the answer would involve the release of price sensitive information, the information must be released through ASX before responding.

A GARDA Capital Group representative in attendance may make notes of meetings and briefings with investors or analysts. Alternatively, an event may be webcast or teleconferenced or a recording or transcript added to the GARDA Capital Group's website.

After briefings, a member of the Disclosure Committee will consider the matters discussed at the briefings to ascertain whether any price sensitive information was inadvertently disclosed. If so, the information must be communicated to the market as set out in paragraph 5.4.

6.3 Analyst reports

If requested, the GARDA Capital Group may review analyst reports. The GARDA Capital Group's policy is that it will only review these reports to clarify historical information and correct factual inaccuracies if this can be achieved using information that has been disclosed to the market generally.

No comment or feedback will be provided on financial forecasts, including profit forecasts prepared by the analyst, or on conclusions or recommendations set out in the report. The GARDA Capital Group will communicate this Policy whenever asked to review an analyst report.

6.4 Inadvertent disclosure or mistaken non-disclosure

If price sensitive information is inadvertently disclosed or a director or employee becomes aware of information which should be disclosed, a member of the Disclosure Committee must immediately be contacted so that appropriate action can be taken including, if required, announcing the information through ASX and then posting it on the GARDA Capital Group's website.

6.5 Media relations and public statements

Media relations and communications are the responsibility of the MD or the Company Secretary. On major matters, the MD is generally the spokesperson, and on financial matters, the CFO or the MD may generally speak.

Other officers or senior employees may be authorised by the Board or the MD to speak to the media on particular issues or matters.

Any inquiry that refers to market share, financials or any matter which the recipient considers may be price sensitive must be referred to the Company Secretary.

No information is to be given to the media on matters which are of general public interest or which may be price sensitive without the approval of the MD.
